

June 2006

Dear Santa Clara Valley Chapter Member:

Every year we like to award a Pilot-of-the-Year and a Professional Pilot-of-the-Year to outstanding members of our chapter. We'll present these awards at the Chapter Birthday Party in July. Time is short and efficiency experts say you should only handle each piece of mail once, so do not file this letter away to deal with later ---just do it now!

To be eligible for an award, you must have been a member of our chapter for at least a year; in addition you must not have won the award in the previous five years. The form explains the types of activities for each award. If you've been an active member this year, get out your log book and fill out the forms. Please don't be modest. Let us know what you've done this year! You can also nominate someone else whom you feel would be a worthy recipient by writing their name on the bottom of this page (or sending email to Mayetta Behringer at mjbfly99@comcast.net). We don't always know who has been flying or participating in other aviation-related activities if you don't tell us.

Please fill out the forms right away. The deadline is July 10 - all applications must be received by July 10! And if you nominate someone else, do it right away so we can bug them to complete their application by July 10 also.

Please mail to: Mayetta Behringer 1749 Curtner Ave. San Jose CA 95124

Blue Skies from

Awards Committee

Debby Cunningham and Mayetta Behringer

I'd like to nominate the following people for awards this year:

Pilot of the Year: _____

Professional Pilot of the Year:_____
