

# Flying Companion Seminar

**When:** Saturday, May 17, 2008  
ALL DAY – 8:30 a.m. to 5:00 p.m.  
**Where:** West Valley Flying Club  
Palo Alto Airport, Palo Alto

The Flying Companion Seminar is a seminar for non-pilots who would like to be more comfortable in the cockpit. The all-day session addresses how to be an effective cockpit member and helps calm fears about flying.

This year's topics include:

- Aerodynamics: how and why a plane flies
- Radio procedures: using the radios and emergency frequencies
- Navigation: read charts and help navigate.
- Preflight: why and how to do one on an actual airplane.
- Checklists: what are they; how can you help with them.
- Medical Facts for Pilots
- Fun Places to Fly
